This memorial archway was built within the hospice gardens for people to come and remember loved ones who are no longer with us.

The name of your loved one can be included on the structure, etched permanently on the glass of the pillars as a lasting tribute.

In return for a donation towards the work of North Devon Hospice, the memory of someone close to you could help us care for those who need our support today and in the future.

'a way to
remember'

a lasting tribute

A solid oak structure, supporting panes of glass upon which are written words to comfort and inspire, this walkway feels tranquil and safe.

In amongst the splendour of the hospice gardens, this memorial allows you the chance to have the name of someone close to you etched on to the glass. It is a beautiful way to honour the memory of those we miss.

This is open to anybody in the local community, not just those who have been supported by North Devon Hospice. It is a place to come, any time, and remember people who touched our lives, to remind us that the memory of those we miss is always alive.

remembering the past, supporting the future

For a minimum suggested donation of £100, the name of your loved one can be engraved on this memorial archway as a beautiful and lasting tribute.

Your donation will help North Devon Hospice support local people who are facing the impact of life-limiting illnesses such as cancer. £100 would enable one of our community nurses to visit a patient at home, providing their expert care and support where it is needed. It could also allow someone to spend a night in the hospice's Bedded Unit, where our doctors and nurses can provide tailor-made care around the clock.

So your donation will make a real difference. Remembering your loved one will help to support those needing our care, both today and in the future.
