

Honour the memory of a family member, a friend, a neighbour or a colleague.

Christmas is a special and poignant time to remember loved ones who are no longer with us.

The person you are remembering with your dedication doesn't have to have been cared for by the hospice.

Your donation for **Light up a Life** will help us continue providing care to our patients and their loved ones facing a life limiting illness.

Light Up A Life

being there for all the family

In April 2019, I lost my best friend, my grandad Jack. The North Devon Hospice cared for him in the last weeks of his life. Grandad received so much love and care from so many- Jill, his community nurse, the lovely end of life care nurses at home before his admission to the bedded unit where they looked after him and the whole family; my Nan Sylvia has also been receiving bereavement support. We know the hospice will always be there for us and that's an incredible feeling. My little girl calls the hospice "GG's castle". Please join us in supporting Light Up A Life so that the hospice can continue its wonderful work supporting other local patients and families. ♡
