

Christmas can be a really special time, however this year may be especially hard for some of us who are unable to get together as we would do normally. We understand how difficult this may be for you right now and so we hope you will join us to honour the memory of those loved ones who are no longer with us during this poignant time.

The person who you are remembering with your dedication through Light Up A Life doesn't have to have been cared for by the hospice.

Your donation for Light Up A Life will help us to continue to be a light in the dark and provide care to our patients and their loved ones facing a life limiting illness.

This year Light Up A Life will look a little different to previous years as we are unable to host our multiple services across North Devon throughout December.

We are, however, going to be hosting a virtual remembrance service which we hope will bring you some repose to remember your loved ones in the comfort of your own homes, with time for reflection and gentle words from our Supportive Care team.

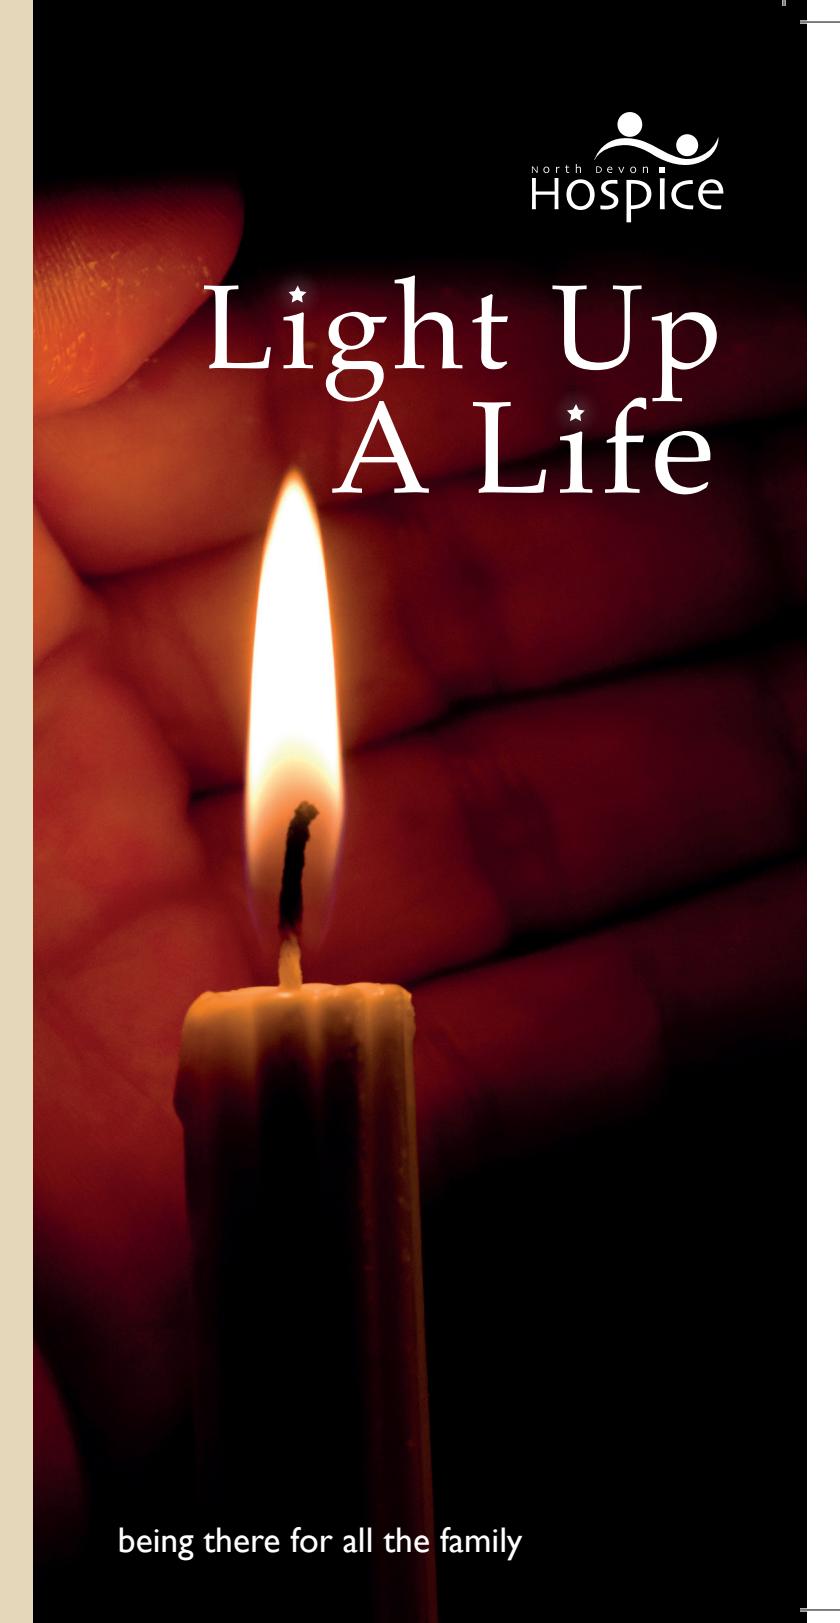

This will be held on Friday 11th December at 6.00pm and can be viewed via our website, www.northdevonlightupalife.co.uk. This will be accessible for everyone, simply click the link and you will be able to watch this on your chosen device throughout December.

Because this year it will be difficult for you to view the name of your loved one in our Book of Remembrance at the hospice, we have created an online Tree of Remembrance where you will be able to view their name at any time, from the comfort of your own home.

We encourage you to share this with your friends and family so they may be part of the Light Up A Life online experience with you - they will also be able to make a donation to your star, should they wish to.

We hope this goes some way to bringing you and your family a sense of comfort at this time.

"It was a devastating blow for us all when Mum was diagnosed with Cancer. It really felt like our whole world had been turned upside down. During Mum's treatments, Hospice nurses supported both Mum and Dad and really helped them both through some very dark days. I do not know what we would have all done without the care and compassion of our Hospice Team, they were like a light in the dark for us all.

Please join me this year in supporting Light Up A Life so that the hospice can continue its wonderful work supporting other local patients and families like mine."
